Greetings

In presenting this list of Dahlias to our customers and friends, we wish to emphasize the fact that we offer only those varieties that have proven satisfactory as to type and color, profusion of bloom, root making and root keeping qualities.

Our Dahlias have won prizes wherever exhibited, and we take great pride in offering herewith a list of Dahlias that we

know will give entire satisfaction.

Only the best and strongest roots are used in the filling of orders, unless so stated in the following descriptions. We absolutely guarantee every root sent out as to name, color and type, and to be in growing condition when received. Having no control over same after leaving our hands, we cannot guarantee them to grow and bloom. If upon receipt of same you are not satisfied, return to us at once, and we will either replace roots or refund your money.

Dahlia roots and plants will be sent, charges prepaid, C. O. D., unless cash accompanies the order, purchaser to pay C. O. D. charges. If cash accompanies the order, roots and plants will be sent prepaid, by express or parcel post, whichever is best, distance and size of order considered.

Be sure to write name and address very plainly in each letter and send the same to

Our Own Introductions for 1922

BUTTERCUP (Decorative). A very large, full flower of that wonderful buttercup yellow. Very profuse bloomer.
Flowers held above foliage on long, erect stems. Foliage a very deep green
FIREFLY (Decorative Peony). Well-named, due to its pecu-
liar shade of red, resembling a sheet of flame. Flowers well formed and held erect upon stiff, wiry stems 2.50
OH MI (Peony). A "catchy" name given voluntarily by those who saw this wonderfu! flower in bloom at our
fields this last year. Of large size, wonderfully formed; long, wiry stems. The same colors of Geisha, but more
beautiful, as colors blend one with the other, making a
wonderful combination that pleases the most fastid-

SOME OF THE NEWER INTRODUCTIONS THAT WE HIGHLY RECOMMEND

AMPHION (Hybrid Cactus). Extra large, with fluffy, curled
and twisted petals. Mauve pink
BALLETT GIRL (Cactus). Very difficult to describe. White
shading to orange. Perfect formation. Plants only. 5.00
CURIOSITY (Collarette). One of the earliest and profuse
bloomers. Color, deep maroon with collar of garnet heav-
ily tipped white
HORATIO K. (Peony). The best pure white 1.00
JANE SELBY (Decorative). A large, true type, of beautiful
mauve pink 1.50
LATONA (Decorative). Creamy amber
LA FAVORITA (Hybrid Cactus). A very beautiful orange
salmon of fine form; a large flower with long, stiff stems;
a first-class exhibition variety
MADONNA (Decorative). Large white, with blending of
lavender pink
MRS. F. C. BURNS (Decorative). Shell pink, one of the best
for all purposes. Plants only

MARY C. BURNS (Decorative). Outside of petals old gold,
and the reverse side a dull red, making a very unique
combination. Plants only
MRS. CARL SELBACK (Decorative). An immense bloom
of lovely mauve, or marshmallow pink, shading lighter to
centre, and every petal outlined in deep mauve. Plants only
MDC W E ECTES (Hadrid Cartus) A sure related to the
MRS. W. E. ESTES (Hybrid Cactus). A pure white, large flower on long, erect stem
NATALIE MAI (Peony). A deep burgundy, with maroon
suffusion, shading to a creamy pink at the edges 1.50
OSAM SHUDOW (Decorative). Old rose and lilac, with
shadings of yellow, making this a most attractive dahlia. The flowers are immense
PRESIDENT WILSON (Decorative). This dahlia we be-
lieve has attracted the most attention of any dahlia in our
collection. Its color and habit of free blooming make it
a striking favorite. Color, a deep red, each petal tipped
white 5.00
PRINCESS PAT (Decorative). A wonderful shade of old
rose. Flowers large, held erect upon long, stiff stem. 2.00
SCOTTISH CHIEF (Decorative). Amber, with white tips,
on perfect stem
SNOWDRIFT (Decorative). The best white decorative of
the day. Flowers large, held erect upon good stem 2.00
SOLDIER BOY (Peony). Color of the face of petal a khaki,
the reverse a deep carmine rose. Many of the petals twist
and curl, giving the face of the flower a delightful appear-
ance 2.50
THE BRIDE (Single). Waxy white 1.00
THE GRIZZLY (Decorative). A dark maroon. Without
doubt one of the best ever produced by Mr. F. C. Burns.
Exceptionally long stems, holding flowers well above foli-
age. Profuse bloomer
U. S. A. (Decorative). A wonderful flower of deep orange
and of immense size. Plants only 5.00
VIOLET BEAUTY (Peony). Very pleasing violet purple,
suffused with claret and cerise. Each petal has the appear-
ance of being outlined with silver. Flowers are large and
full. Plants only 3.00
VENUS (Decorative). From Judge Morean collection.
Mauve pink. Enormous flowers, yet not coarse 10.00
VERNA THOMPSON (Peony) White heavily clouded
cerise. An immense full, deep flower 1.00

Dahlias of Distinction

favorite
ALEWINE (P. P.). White, heavily tipped lavender25
AMERICAN BEAUTY (Show). Rich wine crimson, flowers
large on erect stems. An early and profuse bloomer50
ARIEL (Cactus). A unique flower. Color bright, rosy scar- et, shading lighter at tips, with golden suffusion. Petals incurved and gracefully twisted
AURORA (Cactus). Early and continuous bloomer. Coral
red, shading lighter at tips and to a buttercup yellow at centre
ATTRACTION (Hybrid Cactus). Large, elegant flower of a
clear lilac rose, borne on long stems, and a dahlia of
exceptional merit. A true peony cactus type 1.00
AURORE (Peony). Color bright orange salmon, erect stems, and free flowering
AUTUMN (Century). Delicate madder lake, shading ye'low
at centre. A beautiful autumn tint
AYESHA (Giant Decorative). Flowers of perfect form borne
on very long, erect stems. Color a soft, pure sulphur
yellow
BERCH VAN HEEMSTEDE (Hybrid Decorative). Beauti-
ful well-formed flowers of immense size, color primrose
yellow, reverse of petals shaded pa'e mauve rose. A vig-
orous and sturdy bush
BELLE OF SPRINGFIELD (P. P.). Light red, smallest
dahlia known
formed peony on erect stems. Color, a clear violet rose,
and a good cut flower
BIANCA (Cactus). Blooms are a delicate violet mauve shad-
ing lighter at centre, of good size and form on erect
stems. A profuse bloomer
BILLIE (Peony). Color light rose tipped violet rose, with
a suggestion of yellow at the base of the petals, the general effect being a bright rose pink. Flowers are of beau-
tiful form, with petals curved and twisted, averaging at
least six inches across on long stems 1.00

BREAK O' DAY (Hybrid Cactus). This fine new giant
dahlia of our own introduction is the beautiful blending
of the decorative and cactus types, suggesting a full high
centre decorative dahl'a, with back-curved petals coming
up through the flatter ones. The color is a delicate, clear
sulphur yellow, shading to sulphur white at tips. The petals are of great substance, illuminated by a sating sheen,
giving the flower a wayy appearance*
giving the flower a waxy appearance*
Conn., 1920.
BREEZE LAWN (Decorative). Fiery vermillion; perfect
form; good, full centre. Flowers often over eight inches
across 1.00
CALEB POWERS (Show). One of the good show dahlias;
petals opening back to stem, making a perfect ball. Color
a very delicate lilac rose, shading lighter at centre25
CARDINAL (Decorative). One of the very best garden
dahlias. Cardinal red, shading purple. Its large, rich
flowers are held on long, stiff stems well above the
foliage
CATHERINE (P. P.). Lemon yel ow
CENTURIAN (Cactus). A bright crimson scarlet; petals
long, incurved and very much interlaced
CHIEFTAIN (Decorative). Clear, light red, heavily streaked
and splashed canary yellow; some flowers all red; very
large and attractive; fine for exhibition 1.00
COCKATOO (Cactus). Good form, profuse and early
bloomer, doing well in partial shade. Color clear sulphur
yellow, shaded reddish sa'mon and tipped white. Some flowers all yellow or all white
COLOSSAL PEACE (Hybrid Cactus). A massive cactus
dahlia of the Kalif form and size, often measuring eight
inches across; later in the season when the flower shows
a centre it is a wonderful peony dahl'a; color creamy
white at centre, shading violet rose with lighter tips, early
and profuse, on excellent stems
COMTE DE LAMBERT (Cactus). Rich dark crimson, re-
verse of peta's amaranth red; flowers large and of perfect form, borne on long, stiff stems
COUNTESS OF LONSDALE (Cactus). Profuse and con-
tinuous bloomer; fine form and good stems. Color madder
red with crimson-carmine shading at tips
CRYSTAL (Cactus). The finest dahlia in its class and color.
Flowers of large size borne in profusion on good stems:
petals long, twisted and incurved; color a soft, silvery
rose, shading to white at centre and tips

CROWN OF GOLD (Decorative). Very popular as a cut
flower; color a Chinese orange with golden suffusion25 CUBAN GIANT (Show). Very large, ball-shaped flowers,
a bright maroon. Extra fine
DAHLIADEL CENTURY. It is all that can be asked for
in a white single dahlia. Its size, form, habit of growth,
productiveness, and clear pure white color put it far ahead
of anything else
DARKNESS (P. P.). Deep velvety maroon
DARKEST OF ALL (P. P.). Maroon, nearly black25
DECISION (Cactus). A splendid exhibition dahlia, with
long, narrow incurved petals, deep yellow at centre, shad-
ing to a golden bronze. A fine grower
DELICATISSIMA (Cactus). A beautiful y formed dahlia of
exceptional merit; color white, veined and lightly suf- fused pale lilac rose. Bush rather dwarf, stems long and
erect, holding flowers well above foliage
DELICE (Decorative). Violet rose lightly suffused aniline
red; on the whole a bright, yet soft, luminous pink.
Flowers held well above the foliage on long, straight
stems
D. M. MOORE (Decorative). Rich, dark, velvety maroon,
almost black. Very large, free and of good form50
DOROTHY PEACOCK (Show). A beautiful pale lilac rose,
shading to white at centre; of fine branching habit25
DREER'S WHITE (Show). The finest snow white show dahlia as yet introduced; flowers of perfect form borne
dahlia as yet introduced; flowers of perfect form borne
in great profusion
DREER'S YELLOW (Show). A beautiful show dahlia of
perfect form; stems long and straight, carrying the blooms
well above the foliage. Often measuring seven to eight inches in diameter. The blooming season is long and con-
tinuous, the flowers being as good at frost as in late
August, and as a cut flower it is unexce'led. In form the
flower is like Dreer's White and is a very healthy grower.
Color a rich, deep sulphur yellow
DUCHESS OF BRUNSWICK (Peony). Large flowers of a
brilliant light red, shading apricot on reverse of petals.
A fine garden and exhibition variety
DUCHESS OF MARLBORO (Cactus). Flower composed of long twisted and incurved petals, fine form, large and
graceful stem. Color golden orange overlaid sol-
ferino
ferino
and penciled crimson

form; erect stems
ELSE (Cactus). Color deep buttercup yellow at base of petals, shading amber and tipped Tyrian rose
ETENDARD DE LYON (Cactus). Large, massive, yet graceful blooms, on strong stems. Color reddish violet overlaid Tyrian rose
EXTASE (Cactus). Another grand, large variety; color white, edged and suffused pure mauve; petals long and slender; growth tall and branching
FAIRY QUEEN (P. P.). Orange, tipped pink, yel'ow centre
FAUST (Decorative Peony). Large exhibition flower, color deep morocco-red, shading rosy carmine on reverse of petals, the long twisted petals showing lighter
FLAMINGO (Decorative). A dahlia of fine form, sometimes showing an open centre. Color violet rose overlaid Tyrian rose; very free flowering and early
FLORENCE (Show). Perfect form of good size, erect stem and very profuse. Color pale light lilac; a very pleasing shade
FRANCES WHITE (Cactus). Pure white, shading to sulphur white at centre. One of, if not, the finest white cactus dahlias grown
FRECKLES (Decorative). Buttercup ye'low streaked and penciled garnet, some flowers all garnet on erect stems. A very early and profuse bloomer*
*Awarded the A. D. S. Certificate of Merit at Storrs, Conn., 1920.
F. W. FELLOWS (Cactus). Flowers of phenomenal size, composed of numerous long narrow petals of a lively orange scarlet
GEISHA (Peony). Buttercup yellow at base of petals, shading to scarlet at centre, and passing lighter at tips. Petals broad, loose and peculiarly twisted. The most popular and striking peony-flowered dahlia
GEORGE WALTERS (Hybrid Cactus). A monster hybrid cactus of coppery old gold with buff base, fine form, a prize winner, and a California standard 1.00
GENEVEVA (Cactus). Fine sulphur yellow; good size25
GENERAL PERSHING (Hybrid Cactus). A heavy type cactus with curved and twisted petals, a strong grower and profuse bloomer, color white with cream shadings at centre

GENERAL J. B. SETH (Hybrid Cactus). Very large and
perfectly formed; color rich strawberry red. Profuse and
early
GENERAL MILES (Show). Can be described as a show
Le Grand Manitou; size large; free b'oomer 1.00
GOLDEN WEST (Cactus). Color deep rich yellow overlaid
orange. Flowers of large size on erect stems
GLORY OF ARGONNE. The most beautiful pink and white
show dahlia grown. Color, delicate violet rose shading to white at centre, perfect, even form on erect stem.
One of our best, and fine for cut flowers or exhibition. 2.00
GOLDEN WEST (Hybrid Show). Large and distinct; high.
full centre, with petals notched at tips. Color a clear primrose vellow
primrose yellow
fused Oriental red; very striking and popu ar50
GRAND DUCHESS MARIE (Show). Buff overlaid orange.
A grand flower
GRETCHEN HEINE (P. P.). Rose-tinted white; each petal
tipped rosy carmine
HARMONY (Decorative). Color very similar to Wodan,
mauve rose with golden suffusion, good form and habit
of growth
HARVEST MOON (Decorative). A wonderful dahlia, bush
dwarf, with large decorative flowers held well above the
foliage on strong, erect stems. The broad, thick petals
curve back towards the stem, almost making a ball; color
a clear, deep su'phur or primrose yellow; very early and
profuse*
*Awarded the A. D. S. Certificate of Merit at Storrs,
Conn., 1920.
HELEN DURNBAUGH (Hybrid Cactus). Exceptionally
fine new dahlia of large size, a delicate blush deepening to
a soft rose at centre. Fine erect stems 1.50
HOCHSAI (Decorative). Russet orange shading amber at
tips, and brightened with a golden sheen. Flowers of
fine form and size on good stems
merit. Color chrome yellow at base of petal, shaded rose
pink and tipped o'd rose
HORTULANUS FIET (Giant Decorative). The general
color effect is lilac rose, while the petals shade from golden
vellow at base to pale lilac at tips, with deep lilac rose
suffusion Colossal size some blooms measuring nine
inches across; good stem; free flowering 1.00

HONESTY (Cactus). A delicate flesh pink of good size, free
bloomer, splendid garden variety
INSULINDE (Hybrid Decorative). The finest and most artistic dahlia of distinct form with petals twisted and
curled. Stems are two to three feet long, and flowers
nine to ten inches across. Color a rich saffron yellow
shaded russet orange. One of, if not the grandest, of
Holland's introductions 2.50
IRINE SATIS (Cactus). An exhibition variety of immense
size; petals long and pointed. Color lemon yellow; shaded
golden bronze, on good stems
JANE ROSE (Show). Undoubtedly the best garden pink,
flowers arge and profuse
J. H. JACKSON (Cactus). Color rich purplish garnet, ma-
roon shadings
JOHN TOZER (Show). Flowers of perfect form through-
out the season, often measuring 7 inches across; color, bishop's violet. Very popular
JOHN WANAMAKER (Hybrid Decorative). A beautiful
violet rose. Type distinct and unique
KALIF (Colossal Cactus). Color rich strawberry red or car-
mine. The mammoth flowers are borne on stiff stems
and in great profusion, especially considering the size of
the flower, which frequently measures from eight to ten
inches in diameter
KING ALBERT (Peony). Perfectly formed, rich royal pur- ple of immense size on good stems. A large, graceful
flower 1.00
KING MIDAS (Show). A fine white with lilac shadings on
a long, erect stem; perfect form; a good cut flower as
well as a dahlia of exceptional merit in the garden
KING OF THE AUTUMN (Decorative). Buff yellow suf-
fused with terra cotta. A well-formed dahlia on strong
stems; of great substance and keeping qualities 1.00
KLEINE DOMITEA (P. P.). Orange buff
LADY SWAYTHLING (Cactus). Very large, salmon pink, shading yellow at base. A fine exhibition variety 1.00
LADDIE (Show). An autumn shade, golden bronze, the re-
verse of petals shaded mauve, showing up throughout the
flower; a good bloomer of immense size
LAWINE (Cactus). A white, on good stems, showing a trace
of violet mauve on reverse of peta's. Blooms early and
continuously
LAURA BARNES (Peony). The large, clear, orange-red
flowers of perfect form are carried well above foliage.

LE GRAND MANITOU (Decorative). A superb giant of
excellent form; color bishop's violet mottled and striped
French purple; some blossoms self-colored
LIBERTY BELL (Hybrid Cactus). Similar in form to Break
o' Day, although not as erect a stem, but larger in size.
Color soft crimson carmine, shading yellow at base of petals, and white at tips. One of the finest and largest
petals, and white at tips. One of the finest and largest
exhibition varieties grown
LUCY FAUCETT (Show). Sulphur-yellow, striped and
spotted carmine rose
LITTLE BESSIE (P. P.). Light pink
LITTLE HERMAN (P. P.). Deep carmine, shaded garnet,
tipped white
LITTLE BILLIE (P. P.). Dark pink
MANON (Cactus). An early and continuous bloomer of good
size and full centre. Light sulphur yellow, shading lighter
at tips
MARGUERITE BOUCHON (Cactus). A magnificent, large,
full flower, centre pure white, outer petals a brilliant, yet
soft violet rose with distinct white tipping. Unrivaled75
MASTER CARLE (Hybrid Cactus). Rich saffron yellow; a
popular exhibition variety
MINNIE McCULLOUGH (Decorative). One of the best
cut flowers. A soft yellow, overlaid with bronze35
MINA BURGLE (Decorative). Rich, dark scarlet or gera-
nium red; profuse bloomer; ideal for the garden or as
a cut flower
MME. ANNIE MARIE CHANTRE (Cactus). The finest
and largest violet rose cactus dahlia grown; petals long
straight and cleft; good stems and growth 1.00
MME. BUTTERFLY (Hybrid Decorative). The greatest
novelty of the season. Flowers of wonderful grace and
color combinations of violet rose shading darker at tips and blending to a deep golden yellow at base of petals. The
long, rather narrow, pointed petals twist, showing a rosy
magenta reflex, making it very unique 2.00
MME. COISSARD (Peony). Rich, dark crimson-carmine.
shading to white at centre. Large and showy
MME. ESCHENAUER (Cactus). An ideal dahlia of excep-
tional merit; color yellow at base of petals, passing to
sulphury white, suffused and tipped pale lilac35
MILLIONAIRE (Decorative). Clear violet mauve shading
to white at centre, very deep and massive. One of the
finest and largest exhibition varieties

MONTEREY (Decorative). This wonderful new dahlia being introduced this year is of a luminous mauve pink, per-
fect form. Flowers are held well above foliage on erect stems. Bush rather dwarf
MONT BLANC (Decorative). Pure white, with creamy shadings. Flowers borne in profusion on erect stems25
MR. JIGGS (Decorative). Color bright Fusian red with white
shadings—a very showy flower, an early and profuse bloomer of good size
MRS. ADDISON PRATT (Hybrid Decorative). Flowers of
immense size on good stems, a great exhibition variety with petals ong and twisted. A beautiful blending of
with petals long and twisted. A beautiful blending of
violet rose and deep buttercup yellow
MRS. C. G. WYATT (Cactus). A magnificent pure white; petals numerous, long and incurved
MRS. C. H. BRECK (Hybrid Decorative). A beautiful, large, free-flowering exhibition variety. Soft yellow suffused
with carmine
white peony dahlia yet introduced; of immense size, on good stems
MRS. HENRY RANDLE (Cactus). Large, finely formed
flowers, deep yellow at centre, shading amber, suffused
reddish bronze
MRS. J. C. MORAN (Decorative). Large flowers of even
form on erect stems. Color soft lilac shading white. Bush rather dwarf, but a profuse boomer and very satisfac-
tory 1.50
MRS. THOMAS BUSH (Decorative). One of the fine new
novelties. Color reddish salmon, shading primrose yel-
low at centre and tipped rose; of immense size, on long
stems
MRS. WARNAAR (Colossal Cactus). Mammoth size, good
form and substance. Color creamy white with apple blossom suffusion
NANCY MAE (Cactus). Carmine, shading rich reddish pur-
ple; the general effect being a deep, rich, velvety red.
Fine large flowers borne on good, erect stems
NIBELUNGENHORT (Colossal Cactus). A magnificent
flower of recent introduction, often measuring from seven
to eight inches in diameter; petals broad, irregularly twisted and curled, of a sunflower yellow suffused and
twisted and curied, of a sunflower yellow suffused and
tipped violet rose
blush, growing six to seven inches across. On very long,
erect stems, petals cleft and of regular formation50

OLD SOL (Peony). Color primrose yellow, shaded coppery
red with golden bronze suffusion. A splendid v formed
peony dahlia of large size, borne on stout stems; a very
graceful and attractive flower
OREGON BEAUTY (Decorative). Intense Oriental red,
carmine suffusion. A magnificent variety, large and
early
ORANGE KING (Decorative). Orange brown scarlet. A
good garden variety
PIERROT (Cactus). Deep amber usually tipped white; a
great exhibition variety
PORCUPINE (Peony). White, suffused and mottled Tyrian rose; very showy and profuse
OILAKED CITY (II 1 and Control) In this Control
QUAKER CITY (Hybrid Cactus). In this fine new cactus dahl:a each petal is supplemented with from three to six
narrow pointed petals showing up through the flower,
making a very attractive and artistic flower; of good size.
borne profusely. Color primrose yeliow* 1.00 *Awarded the A. D. S. Certificate of Merit at Storrs,
Conn., 1920.
RED CROSS (Hybrid Cactus). Old gold shading yellow and
suffused scarlet. Very striking. One of our largest and
finest dahlias, with perfect stem, form and growth 2.50
REGULARITY (Cactus). Bronzy yellow at base passing to
rich red at tips, petals very much incurved and twisted50
RUTH GLEADELL (Cactus). A fine new variety, color
lemon yellow shading to buff, suffused and tipped pale li'ac rose
REV. T. W. JAMISON (Cactus). Color violet rose at tips,
shading lighter and blending with primrose yellow at base.
Petals long and incurved; very free and profuse35
RHEINISCHER FROHSINN (Cactus). A very striking
variety; color white at base of petals, quickly passing to
an iridescent crimson-carmine; good form
RUTH ROLAND (Decorative). Large, well-formed decora-
tive: color sulphur yellow, tipped and suffused mauve rose;
of good size and growth*
*Awarded the A. D. S. Certificate of Merit at Storrs,
Conn., 1920.
SAMMIE (Decorative). The largest ba'l-shaped yellow deco-
rative dahlia grown. Color, clear, deep primrose yellow; of good substance on strong stems 1.00
SENSATION (Dup'ex). Rich geranium or cardinal red, tipped pure white; some flowers clear red. Very distinct
and popular
and popular

SAN TOY (P. P.). Amaranth red
SEQUOIA (Cactus). Petals tubular, twisted and incurved;
color deep Indian yellow suffused madder rose. Free
flowering and early
SNOWCLAD (P. P.). Pure white
SOUVENIER DE CHABANNE (Col.). Ground color,
lemon yellow with coral red markings; colar petals abund-
ant and long yellow-tipped white
SOUVENIER DE GUSTAV DOUZON (Decorative). A
mammoth flower, often reaching nine inches in diameter.
It is a free bloomer. Color, orange-red
SHERLOCK (Cactus). A striking autumn-shaded flower;
color madder red, suffused golden yellow. Blooms of
large size, early and continuous
SONNENGOLD (Hybrid Cactus). Clear, deep golden yel-
low, petals broad and rather flat. An improved Master
Carle
SOUV. DE MME. NAAGLE (Cactus). Deep carmine with a
lighter reflex showing in the points of the petals; very large, deep and unique
= · = ·
STABILITY (Cactus). Color violet rose; perfect form and
good stems
STANLEY (Decorative). A dark carmine purple shaded deep
Tyrian rose, of perfect form and large size, a win- ner* 1.50
200
*Awarded the A. D. S. Certificate of Merit at Storrs,
Conn., 1920.
SUNBEAM (Decorative). An exhibition variety of excep-
tional substance and merit. Color scarlet shading amber.
A very large, full centre flower
SWEETBRIER (Cactus). Violet rose, with lighter shadings:
petals incurved and twisted
TANGO (Century). Cadmium yellow, shaded scarlet
orange
T. G. BAKER (Cactus). Clear, bright yellow, of good form
and size; borne in profusion on stiff stems
THAIS (Hybrid Cactus). White with delicate shadings of
violet mauve, broad loose petals; very beautiful50
THE LION (Cactus). Raspberry red or mauve rose with
golden suffusion toward centre; a beautiful, large, bold
flower
THOMAS OBELIN (Cactus). Very fine large flower with
THOMAS OBELIN (Cactus). Very fine large flower with long incurved petals; color intense scarlet

ULYSSE (Cactus). An appealing combination of salmony
rose with golden yellow suffusion, petals broad, curling
at tips; early and profuse
VATER RHEIN (Hybrid Cactus). Sometimes of hybrid
cactus form, but more frequently a beautiful peony. Color
primrose yellow suffused and tipped salmon lilac, with a
beautiful golden sheen all over
VICTORY (Decorative). A wonderful new amber decorative
dahlia. Flowers very large and deep of good form and
substance. A dahlia of real merit
WACHT AM RHEIN (Cactus). Soft hydrangea pink, shad-
ing to white at centre; petals deeply cleft; a good cut
flower
WALKUERE (Giant Peony). Primrose yellow, shading
darker, suffused pale lilac rose. Petals very long and
irregularly twisted. Flowers frequently measuring eight
to ten inches across
WILBURTHA (Col.). Oriental red with garnet suffusion.
Colar is of the same color, heavily tipped white. A beau-
tiful color combination
WEE GRACIE (P. P.). White, with a faint showing of lav-
ender in centre
WODAN (Cactus). Long, gracefully twisted petals, of a
mauve rose, reverse of petals violet rose, illuminated by
a golden suffusion
WOLFGANG (Cactus). Madder red, with golden shadings
at base of petals and crimson shadings at tips. An early flowering giant
W. D'ARCY RYAN (Decorative). Color deep Tyrian rose with distinct white tips. An unusual flower of large size
and good growth
YELLOW HAMMER (Cactus). Bright primrose yellow; flowers very large, perfect form, petals long and semi-
incurved
W. W. RAWSON (Show). In form similar to Dreer's White;
flowers of good size, stems erect; color a glistening white
delicately flushed and suffused lilac
YELLOW KING (Peony Cactus). Color clear, light yellow.
Large, elegant flowers on long, stiff stems, a companion
for Attraction, the same form and growth
